

Our cleaning procedures ensure that we will clean virtually every surface in every room of your home on every visit. Our products and equipment are designed to remove more dust, contaminants and allergens from homes than conventional cleaning techniques, which is especially beneficial to allergy and asthma sufferers.

General Clean includes the following tasks:

ALL ROOMS

- Wipe over furniture
- Dust skirting boards, picture frames
- Vacuum all flooring
- Mop hard floors
- Dust top of windows, sills and door frames
- General tidy and de-clutter

KITCHEN

- Clean and polish sinks, taps
- Clean all cupboard surfaces and countertops
- Wipe over small appliances
- Wipe over refrigerator, stove top, range hood
- Clean inside of microwave

BATHROOMS/LAUNDRY

- Clean tiled areas, bathtub and shower recess
- Clean and disinfect toilet
- Polish mirrors and taps
- Clean all cupboard surfaces and vanity area
- Wipe over washing machine and dryer

BEDROOMS & LIVING AREAS

- Wipe over dining table
- Clean mirrored sliding doors
